Q

How has your overall experience been with the Daikin Elite Development Program powered by EGIA Contractor University?

> It's been great - so much support, so many resources.

What elements of the Daikin Elite Development Program, powered by EGIA Contractor University, have you found most beneficial to your company?

> The in person classes have been so helpful in training our team. I also appreciate the discounts for in person events like EPIC - we always come away with so much great information.

— & —

A

What have you been able to improve in your business as a result of the Daikin Elite Development Program, powered by EGIA Contractor University?

> It's been a slower year so far; our revenue is down from 2024, however, with changing processes we've been able to actually become more profitable with less revenue.

How would you compare the Daikin Elite Development Program, powered by EGIA Contractor University, to other business training programs you have used/experienced in the past?

Hands down the best. Much more comprehensive. So many great resources from knowledgeable experts in the industry.

What type of financial impact would you say the Daikin Elite Development Program, powered by EGIA Contractor University, has had on your business?

As I said, our profitability has increased!
